### **2010 WORKSHOP AGENDA**

March 18: Workshop #1 – Planning Your Garden/Planting Seeds for Seedlings

April 15: Workshop #2 – Soil Preparation

May 13: Workshop #3 – Transplanting the Seedlings

June 17: Workshop #4 – Fertilizing and Pruning

July 15: Workshop #5 – Natural Animal and Insect Repellent and Weed Control

August 19: Workshop #6 – Harvesting and Preserving

Sept. 23: Workshop #7 - Herb Drying and Preserving

There is a \$10 fee for each one hour workshop. You can register for all 7 of them at the discounted rate of \$55. Our Community Supported Garden members may attend all workshops at no charge. This series of workshops runs from 7 to 8 pm.

**SPECIAL BACK TO BASICS AND SELF-SUFFICIENCY WORKSHOPS** BEGINNING THIS SPRING, by popular demand.

April 29: Class #1 – Survival Gardening, the Necessities  
May 6: Class #2 – Cold Frames to Extend the Harvest  
May 20: Class #3 – Planning and Preparing Freezer Meals  
May 27: Class #4 – Canning  
June 3: Class #5 – Fireplace Cooking  
June 10: Class #6 – Bread and Pizza Baking and Freezing

This is a comprehensive program and you should register for all six workshops to get maximum benefit. Cost for the series is \$125. Individual classes can be taken at \$30 per class. The classes will last an average of 1 ½ hours each. This series of workshops runs from 7 to 8:30 pm.

All classes are held in our beautiful activity barn and on the 20 acre grounds with a breathtaking view of the Kittatinny Mountains. To attend workshops you must register in advance. Do this by calling 973-579-7382 or e-mailing [Linda@DestinationCOUNTRY.com](mailto:Linda@DestinationCOUNTRY.com).

Field trips are being booked now for the 2010 season. Schools, clubs, and other groups may reserve a date to attend a visit to our teaching farm with a guide who will take you through interactive nature and farm activities. \$9 per person, with one chaperone to each 15 children free. Each additional chaperone regular price.
